

HIGHBUSH BLUEBERRY PRUNING

Bring your pruners and be prepared for hands-on-learning in techniques for pruning highbush blueberries effectively.

TIME

Saturday, April 13th, 2019
1:00 - 4:00 PM

LOCATION

Blueberry Acres
1225 Middle Dyke Road, Centreville, NS
(exact field location to be determined)

AGENDA

To give attendees the most relevant experience possible we are asking participants to pre-register for this workshop with the following information: The age of your highbush blueberry planting(s) and the varieties of highbush blueberries in your planting(s).

Then we will select blocks at Blueberry Acres that are similar in age and variety to that of the participants.

1:00 PM

Meet at first selected block at Blueberry Acres. Participants will be notified before the workshop of the location of the block.
