

## Orchard Tools Application Privacy Policy

### Interpretation

In this policy,

“App” means the software program application, named Orchard Tools, provided by Perennia Food & Agriculture Incorporated downloaded by the user on any Electronic Device;

“Electronic Device” means any device, such as a computer, a cellphone or a digital tablet, that can access the App;

“User” means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

### Privacy Policy

The App is a product of Perennia Food & Agriculture Incorporated (Nova Scotia, Canada) which is a developmental agency of the Province of Nova Scotia.

The App collects no information in the background and collects only the information that the user voluntarily enters, such as project names and data entry. The App does not transmit any of the collected information to Perennia Food & Agriculture Incorporated.

The App neither collects nor discloses information with third parties unless required to do so to comply with the law.

The App does not retain any data on a central server so the user may delete the Application, at any time, and when deleted all of the user data recorded on the Application will also be deleted. If the user backs up to iCloud the data may be saved to their iCloud account which may be transferred to a new phone when restoring from iCloud, but otherwise data is saved only on the Electronic Device.

### Permission

The App does not collect or share usage data.

### Data Minimization

The App does not ask for or access personal information and personal information is not required or collected during the App use.

### Access

The App does not ask for or access any user data.
