Compiled on May 16, 2023 by Michelle Cortens (Perennia). This publication was compiled by representatives from Perennia using currently available information and it is intended for general information only. Perennia does not offer any warranty or guarantee, nor does it assume any liability for any crop loss, livestock loss, health, safety or environmental hazard caused by the use of a pesticide mentioned in the publication. For most recent and specific product information, always refer to and follow directions on the product label. Labels can be found at Health Canada's Pesticide Label Search. The publication lists a number of brand name pesticides. It is neither an endorsement of the product nor a suggestion that similar products are ineffective. This information is continuously changing, and therefore it can cease to be current and accurate. Discard old editions each year.
